Hi Ron,

Thank you for the feedback. I'm glad you found the submission helpful.

I received a message that Tammy is out of the office until Nov. 27, so I've included a few others on this email string to help track down the requested info by Thanksgiving.

Saren - can your provide a cost to date for Terwilliger Fire?

Eric - can you track down a quick response on the personnel, injury and out of area team days questions?

Chiara - I know you and Tammy have been doing great work on communicating the Road 19 hazards. Could you help respond on the winter weather concerns, which I know are anticipated, as well as the photo request?

Holly and Darren - FYI

I'm around some this week and could help further if needed. Just let me know. Thank you all!
